Full Stack Developer

Nagapattinam, Tamil Nadu - 611104 | 9042463701 | sivanesans2985@gmail.com | [https:// www.linkedin.com/in/sivanesan--s](https://www.linkedin.com/in/sivanesan--s)

PROFESSIONAL SUMMARY

Final-year Computer Science and Engineering student and aspiring software professional with hands-on experience in C, Python, machine learning, and text analysis. Passionate about simplifying complex concepts and mentoring peers to foster a collaborative learning environment.

SKILLS

Programming: Python, C, Java

Web Technologies: HTML, CSS, JavaScript

Database: MongoDB, MySQL

Areas of Interest: Software Development, Artificial Intelligence, Machine Learning

INTERNSHIP EXPERIENCE

Python in Data Science Intern / NSIC

Jan 2025 - Feb 2025

- Gain Knowledge about the fundamentals of data science.
- Practical demonstration of insights of data

Student Summer Intern / Sri Sivasubramaniya Nadar (SSN) College of Engineering

May 2026 - Jun 2026

- Developed and trained a machine learning AI model using Python to successfully complete a 45-day project titled "Machine Generated Content Detection" under direct mentorship of Dr. Rajalakshmi.

Web Developer Intern / Murugan Solutions

Jun 2026 - Jul 2026

- Developed programming skills across **front**-end and back-end web technologies.
- Created responsive user interfaces and gained hands-on exposure to database management

PROJECTS (<https://github.com/sivanesansamy1-rgb>)

Ratna-Jewellery (Full-Stack E-Commerce Platform)

- Built a scalable e-commerce application using Node.js and MongoDB, featuring secure OTP verification via Brevo and deployment on Render

Machine-Generated Content Detection System (AI/NLP)

- Built an AI-driven NLP model using the DistilBERT framework to accurately detect machine-generated text.

Personal Portfolio

- Built a responsive admin dashboard using JavaScript and Express to efficiently monitor metrics and manage website data.

LEADERSHIP EXPERIENCE

Moderator / Department of Computer Science and Engineering

- Led activities as Moderator of the Iconic's Association, managing 8 clubs and working with faculty to successfully organize 10 major events.

EDUCATION

B.E. Computer Science and Engineering / Anna University Regional Campus, Madurai

2023 - 2027

- CGPA (through 6th semester): 7.79

HSC / CSI Higher Secondary School, Nagapattinam

2020 - 2023

- Percentage: 73.5%

SSLC / CSI Higher Secondary School, Nagapattinam

2018 - 2019

- Percentage: 100%
